### TOO GOOD TO BE TRUE?

Our client database of over 500 happy customers will agree that our services are second to none. We are a local company and offer a personal service. We aim to attend all breakdowns within the hour, our machines are cleaned and filled to suit your requirements.

QBV is a Bradford based company established in 1990. With an extensive range of choice and options to suit all requirements. QBV can provide all of your vending requirements.

QBV have a 100% commitment and drive towards building better relationships with our customers. We understand the difficulties with vending contracts and therefore offer you the opportunity to join us with our

### FREE LOAN & NO CONTRACT VENDING

There is simply NO catch with our company, we don't have a sales pitch because we do not sell our machines! We make our business from the sales of our products and NOT our machines.
